

Minefield

Aim

- Teamwork is encouraged to make it easier
Or
- make it competitive by saying whoever makes it to the other side can design the next pattern.

Equipment

- Brush handles or spars (square grid pattern, Size unlimited)
- Marker/ pen
- Whiteboard/ paper

Method

- Lay out the square grid pattern
- Write down a pattern that the players must figure out in order to navigate the grid safely.
- One player goes at a time
- If player missteps they go boom and it's the next players turn
